Knowing  
how to make  
yourself cum is  
the greatest  
gift of all!

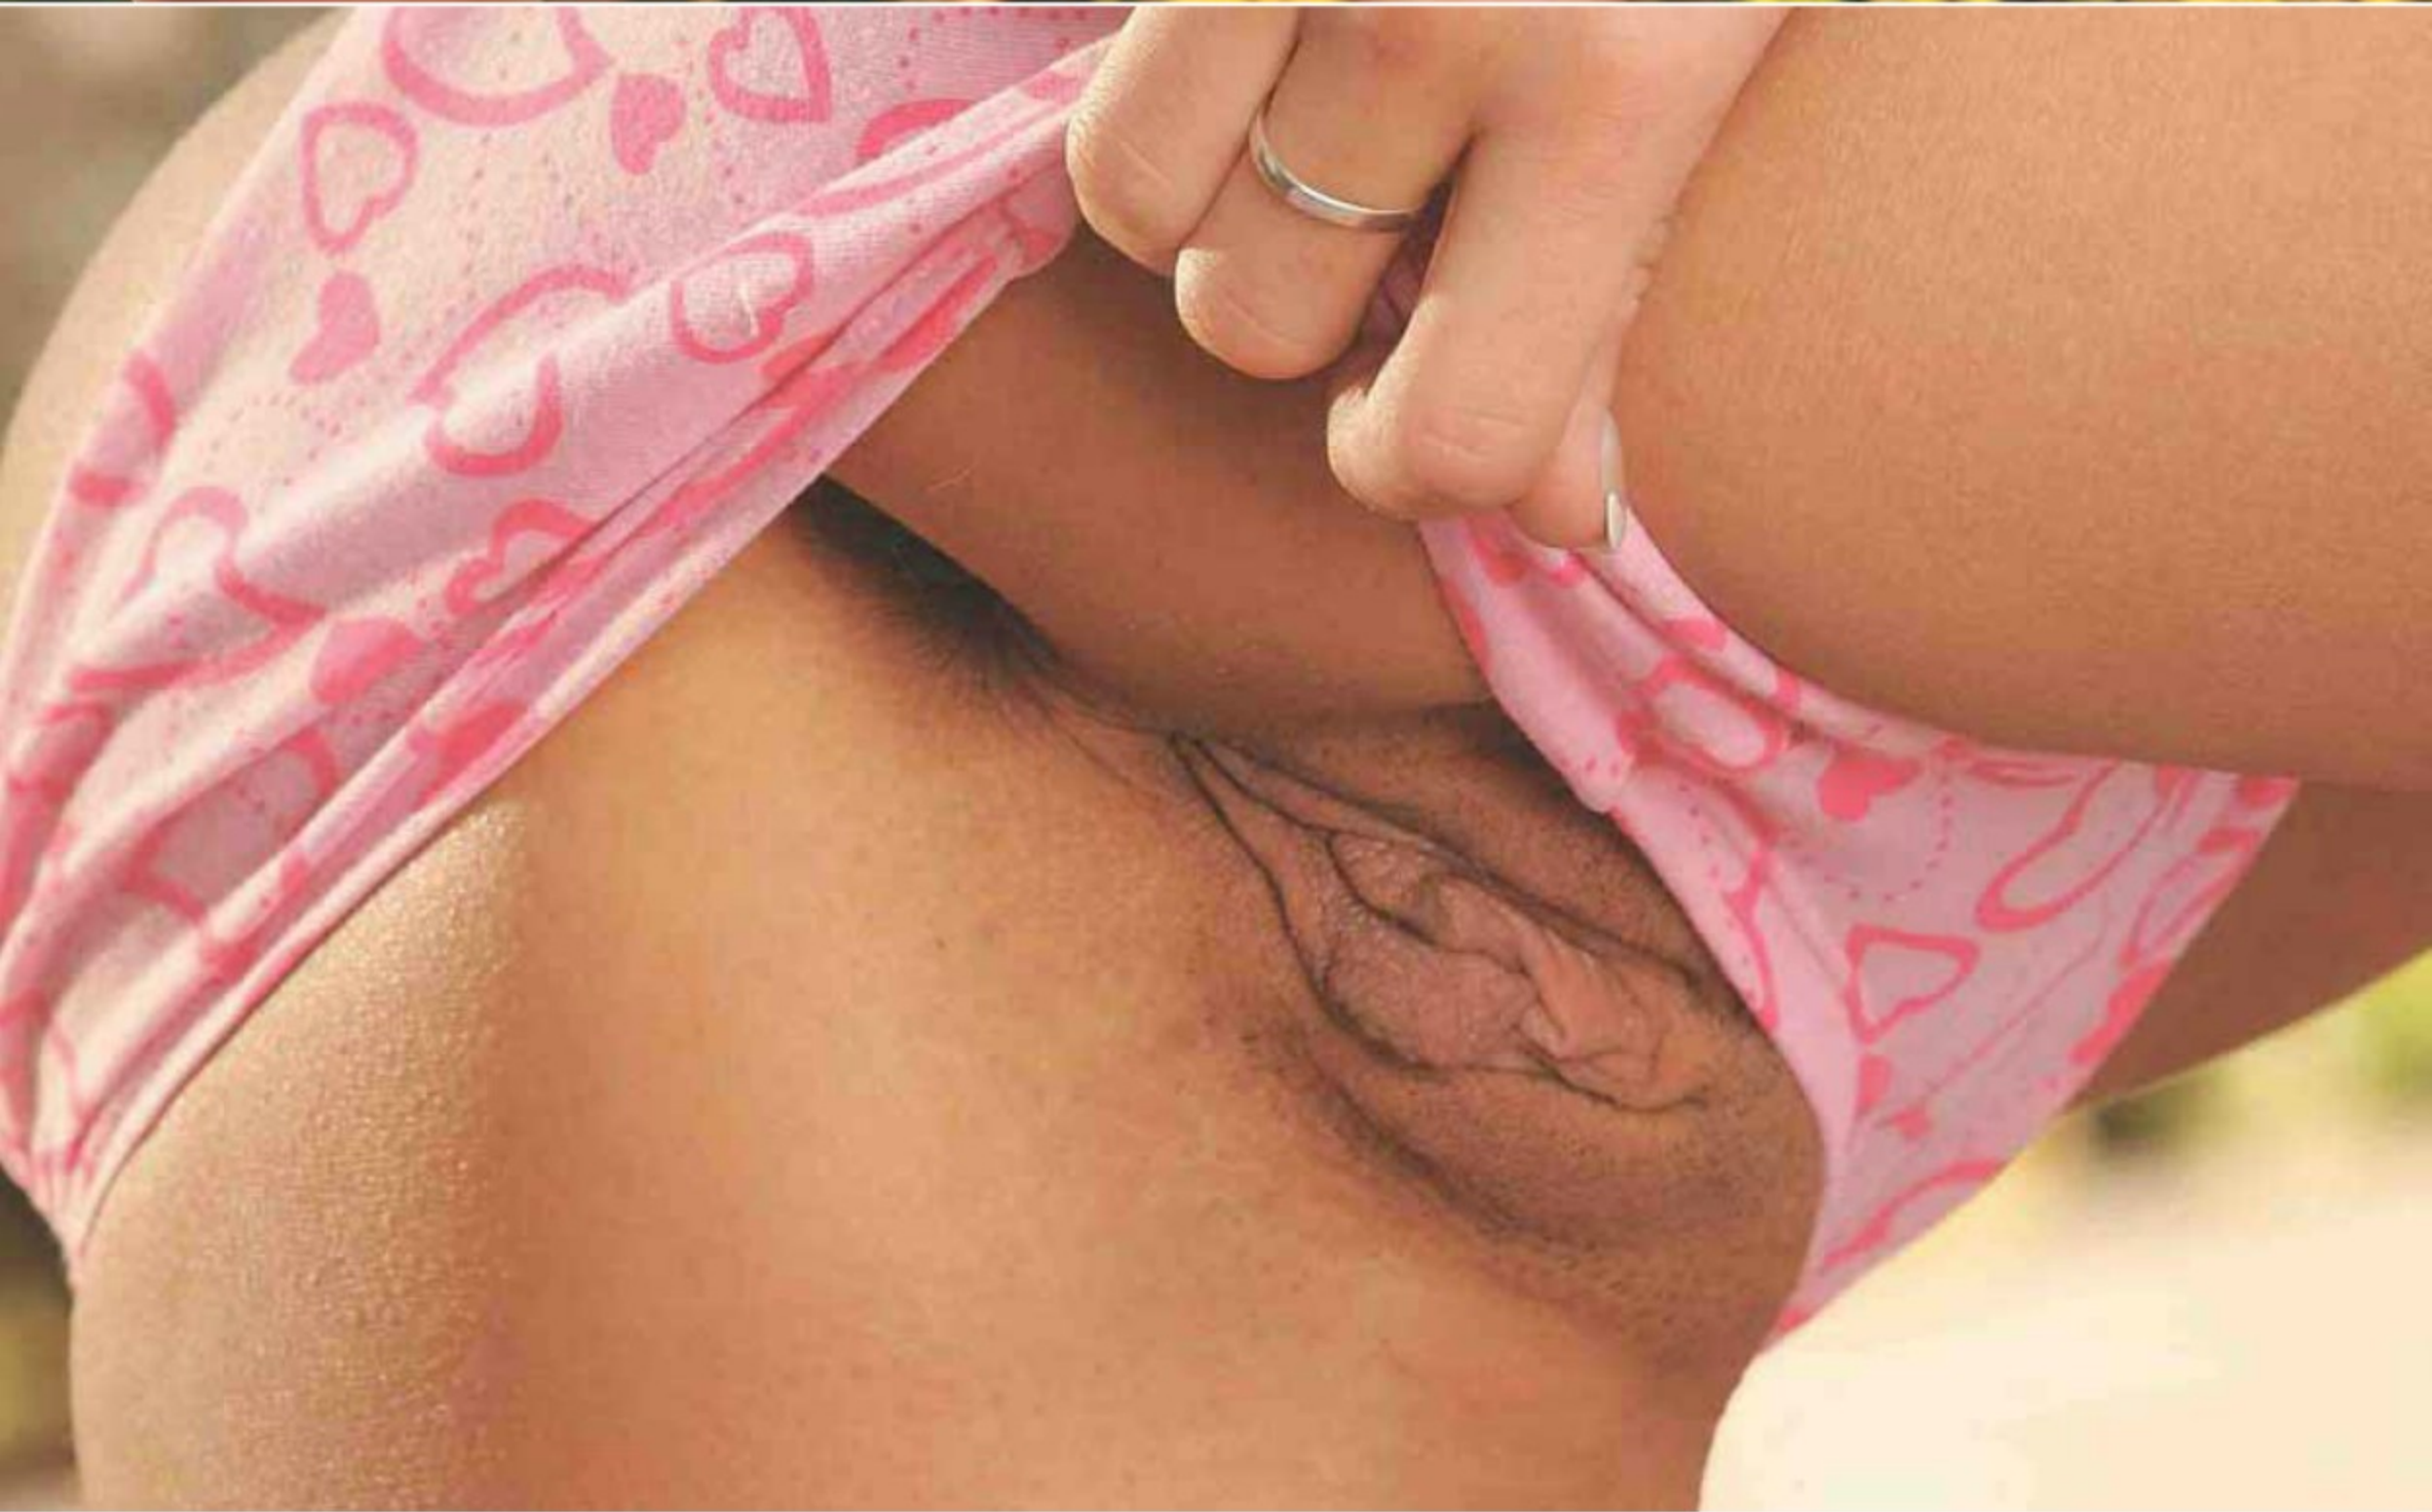

# Georgia

**I** know just what to do to make me cum like crazy! First, I have really sensitive nipples, so I'll squeeze them right through my top, and it's like a switch—I get instantly wet and horny! Then I feel that familiar wetness coming from my pussy lips and I know it's time to get my fingers ready to go deep!

With my one hand gently rubbing my nips, I'll lift one leg up and run my other hand up my thigh, slowly getting to my sopping little slit. Then I like to fingerfuck myself until I can't take it anymore! It's even better if I'm on my bed, rubbing my body all over and sliding a vibrator in and out of my pussy.

Hey, just writing this is getting me all worked up, so I'm going to have to go and find a real dick! See ya!

## SHOPGIRL

My name is Deandra and I'm 18, with long auburn hair and deep green eyes. The two things that interest me most are watching myself masturbate and fantasizing about really hot girls. I still like guys, but I'm leaning more toward girls these days.

By the time I'm 20, I'll probably be totally lesbo. Last week, I went on a shopping spree at the local lingerie store. I love to try on tiny sexy underwear, and it didn't take me too long to find what I was looking for...and I don't just mean the clothes!

After I picked out a bra and some thong panties, I started across the floor of the shop toward the dressing rooms. Along the way, a very beautiful salesgirl approached me and asked if I needed help. "Oh," I thought to myself, you could help me out more than you know!" Something in her eyes told me that she had similar thoughts going through her mind. Our eyes locked and a spark ignited. I guess she liked the look of me, too! Realizing this was a golden opportunity to be with another girl, I replied, "Would you help me out of this dress, please?"

As I entered the dressing room, she made sure she left the door open just a little to add to the excitement. Facing me, she reached around my shoulders, dragging down the zipper much slower than necessary. Her eyes gazing deeply into mine, she leaned over and kissed me. As our lips met, she began to remove my dress. Burning with desire, I began to unbutton her blouse too, exposing her nipples—which were already standing at stiff attention.

Without hesitating, I began gently fingering them between my thumb and index finger, softly rubbing them. She responded by leaning down, taking my left nipple between her soft lips, gently flicking her tongue over the tip. Needless to say, I started to feel my pussy dripping down between my legs. Knowing that time was limited, her hands drifted down towards my panties, which she quickly and expertly removed. She commenced slowly kissing my inner thighs as I caressed her breasts. "Kiss me on the lips," I gasped. "Let me feel your tongue in my mouth!"

Her lips swept across mine, her tongue working its way down my neck. She slipped her hands between my legs and said, "Move your hips slightly back and forth, open your legs a little wider. I want to feel your clit against mine. Ride me! That's it! So nice, so hot, so wet!"

Leaning her back, I spread her legs—I couldn't resist any longer, I had to eat her out. "Let me feel your tongue deep inside me! Play with my nipples while I slide my tongue deep into your pussy." Moving her hips, she squirmed, trying to engulf my tongue deeper into her wetness. And all the while the front of the store was filled with customers. It felt like an eternity had passed and the tension only added to the excitement, and she came very quickly and very hard. Her cum tasted sweet and left a glistening sheen of her fluids all over my mouth, smearing my lipstick.

It was to say the least, a very orgasmic shopping trip. As long as my little cutie is working at the store, I'll always know where to find her. And I always need new panties!

## COLLEGE ANAL

I've recently started dating a guy who's got a real thing for girl's asses. Whenever we got out on campus he's always pointing out great butts. He likes walking behind a babe, ogling her ass and telling me how much he'd like to squeeze it or even fuck it. Sometimes he really goes overboard about a good butt and I

worry he's going to go right up to the babe and give her ass a taut smack.

I'm not the jealous type and I have started to help out in his eternal ass quest. I act as a spotter for some delicious derriere's, pointing out sexy asses for his enjoyment. It really turns me on to hear him talking dirty about a babe who has no idea two teenage perverts are lusty after her backdoor. It's led to some outrageous and real horny fuck sessions between us. The other day we got so fired up watching the college girl's track team bounce by that we had to take off business and quickly.

He pulled me in to the men's room and we jumped into an empty stall. Frantically kissing each other our lips smacked and echoed throughout the vacant restroom. Face to face we started grinding our bodies into each other as our hands roamed all over each other. Gasping for air as we French kissed, I ordered him to take my ass in his strong hands. Obliging the order, he grabbed my asscheeks and I could feel my spine melt and my knees buckle. Kneading my butt in his hands I could feel my asshole opening and closing with each squeeze of his palms. Sweeping one hand around the waistband of my pants he shoved his hand down into the front of my panties. My wet pussy sucked at his fingers as he disappeared two fingers knuckle deep in my cunt.

I turned around and pressed my ass into his crotch and stiff cock. "Fuck my ass," I attempted to whisper, but it came out kind of loud. Without uttering a word, he unzipped my pants and yanked down my pants and panties in one swift stroke. I keep a small bottle of lube in my purse just for such occasions. I popped open the tube and slathered some of the goo up and down my asscrack and worked some into my hungry asshole.

My pussy was steaming and my clit throbbed but I wanted his dick firmly up my ass. When he stuffed his dick up my ass and began rubbing my pussy, I lost control and came immediately. He banged away at my asshole, saying he'd love to see me eating out the ass of the hottest girl we just saw jogging by. That had me cumming all over again and in a few minutes later he unleashed a tidal wave of white sticky cum up my butt. I love the sensation of hot jizz filling me up and sloshing around inside my ass and that made cum again.

It was a great buttfuck and I've got plans to hook up again for some more "butt spotting". I can't wait to find out where we'll end up fucking next!

Ah,  
nothing  
beats a  
hot story  
of true  
friendship!

**N**ikki and I are always competing with each other. But not in some bitchy way; we're always pushing each other to get more dick than the other! Right after Nikki turned 18 we went out to an all ages rock show and all the bands were so good and all the guys were really hot. It was totally turning us both on, so to get some attention from the guys, we got backstage and put on a hot girl/girl show! Nikki's soaking wet pussy tasted like the sweetest syrup and I knew when she came twice in like, two minutes, it was going to be a long night! Actually, when I saw three guys take their cocks out, I knew my pussy was going to get a real workout! Talk about a friendly competition where everyone is the winner!

**Val + Nikki**

# EMMY

Emmy's  
sworn off  
guys, but  
not dick!

A woman with dark hair and light-colored eye makeup is lying down, looking towards the camera. A large, realistic-looking dildo is inserted into her vagina. A hand is visible holding the base of the dildo. The background is a soft, out-of-focus red.

**M**y boyfriend cheated on me! I didn't think it was even possible, but that asshole must be blind and stupid to believe he could ever do better than me! I mean, I'm no slut, but I'm willing to do anything, and I mean anything, to keep my guy happy. So now I'm taking a break from dudes, but not cock! That's why I got this funky fake prick. It will never stray, and it will never stain one of my shirts. I guess until I can find a good guy, this dildo will be constantly shoved deep in my teeny hole. I don't know how long I can last without a guy though...

Dora's walking funny today, but it was totally worth it!

**M**y boyfriend Joe and I finally did the deed! I'm talking full on penis and vagina messing around! It all started when I was teasing him in my bra and panties. My folks weren't home and I wanted to see if I could get him horny. Well it worked and as I sat on his lap his hard-on pushed against my butt, and instantly my pussy got soaked. A finger slipped past my panties and slid right into my sopping wet pussy. From there it was like we were shooting a porno! We did everything but up the butt. A girl has to save something for later, right?

# KIRSTEN

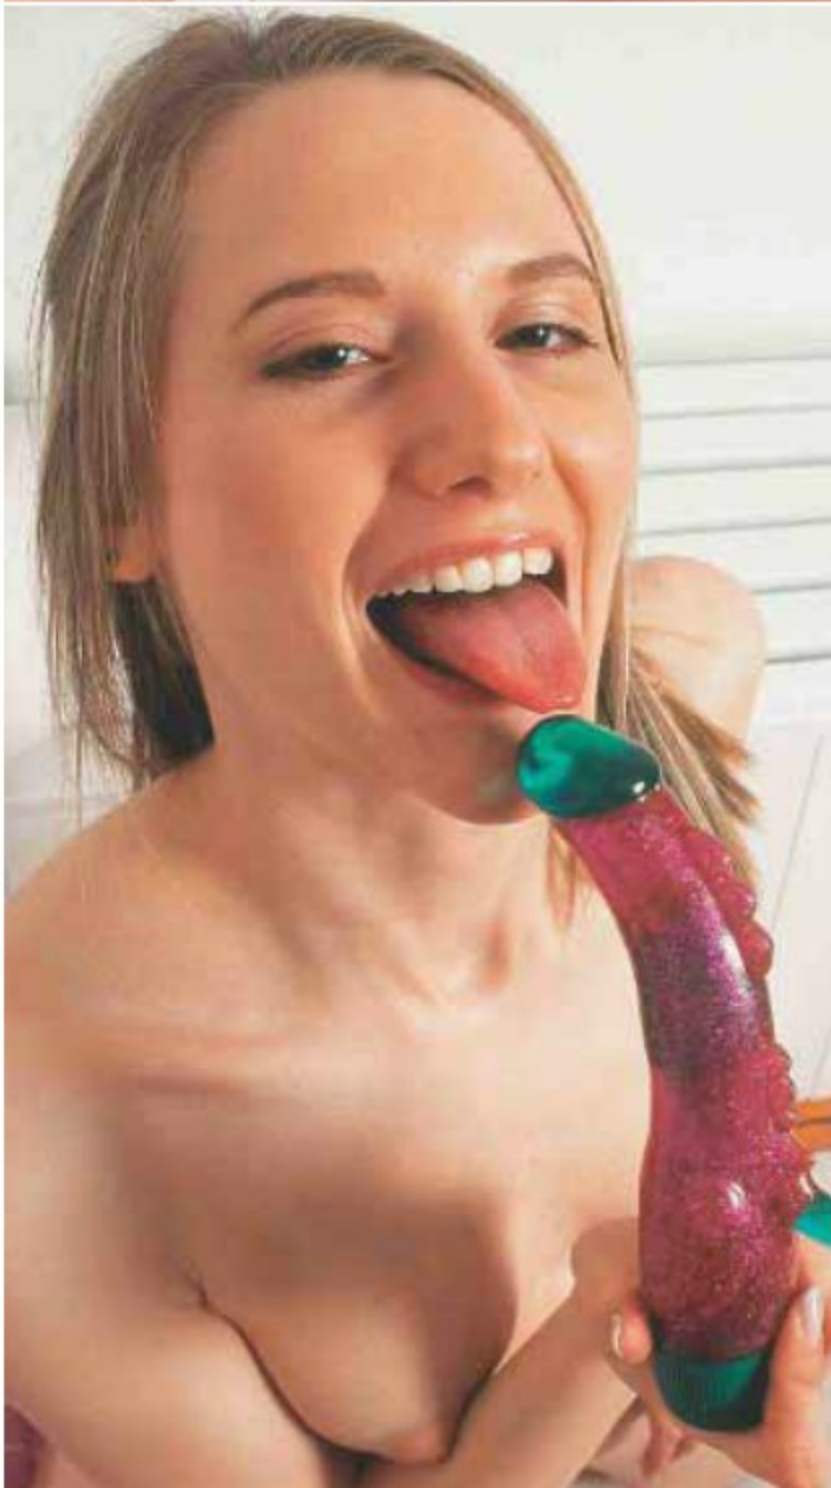

23558

Small tits aren't a problem for Kirsten! In fact, they might be her biggest asset!

**G**uys just want big boobs, so they totally ignore the rest of my tight teen body. Girls, on the other hand, love my petite breasts. Like, one time I hooked up with some random girl at a New Year's Eve party and the first thing she did was suck on my little titties! We found an empty room at this dude's apartment and made out like crazy! We were both lit, and I was feeling incredibly horny. I totally ate out her asshole and fingered her pussy! Then, she sat on my face and ate my tight little clam in an awesome 69! The whole time she was licking my slit, she would somehow manage to get a hand on my boobs and grab my nipples just to make me moan! See what you stupid "big-boob-only" guys are missing?

**I** love my pussy! The taste, the smell, the way it feels and especially how pink it is! My pussy is like candy, it's super sweet and I can never get enough. I love wearing these character panties, it makes me feel so naughty, especially when I break out my vibrator. Opening my thighs up I get a nice view of my cunt and I rub my smooth slit and feel how soft and slick the folds of my twat are on my fingers. A big shiver runs down my spine as I bounce my fingers off my hard clit. Playing with my pussy makes me cum so hard that I have to change my panties because they are too wet to wear!

# Summer

**I** can't wait for those really hot days to come! That's when I get to be naked! On all those sticky, sweaty days that make wearing anything at all unbearable, I go to my parent's backyard for some all-natural sun worship. Taking advantage of the warm breezes, I'll strip down to nothing and masturbate like an animal in heat! My 18-year-old kitty gets all moist as I rub my nipples and lightly touch my tanned thighs. I'm sure my neighbors can see me and that makes it all the better. How can you not love to spy on a horny legal teenager whose pink pussy is leaking girly love juice? I just wish that my neighbor would cum over and pound me silly. Until then, my fingers will have to do the trick!

Summer is like the sun: she's hot and if you stare too long, you may go blind!

**D**on't tell, but I hooked up with my brother's ex! I saw her at some party and she was totally hitting on me! It didn't take long before we were exploring each other's mouths with our tongues. I asked her if she ever fucked around with a girl before and she said that she had. I thought this bitch was lying, so I pushed it a little bit further. I showed her my pussy and dared her to eat me out. To my surprise she dove right between my legs and licked me like a veteran! My tummy shook as I held her head between my toned thighs and covered her mouth and chin with blasts of my sticky girl cum! I was surprised that she was such a good little lesbo, but it really cleared up why she split up with my bro!

There's  
always a party  
when Jubilee  
is around!

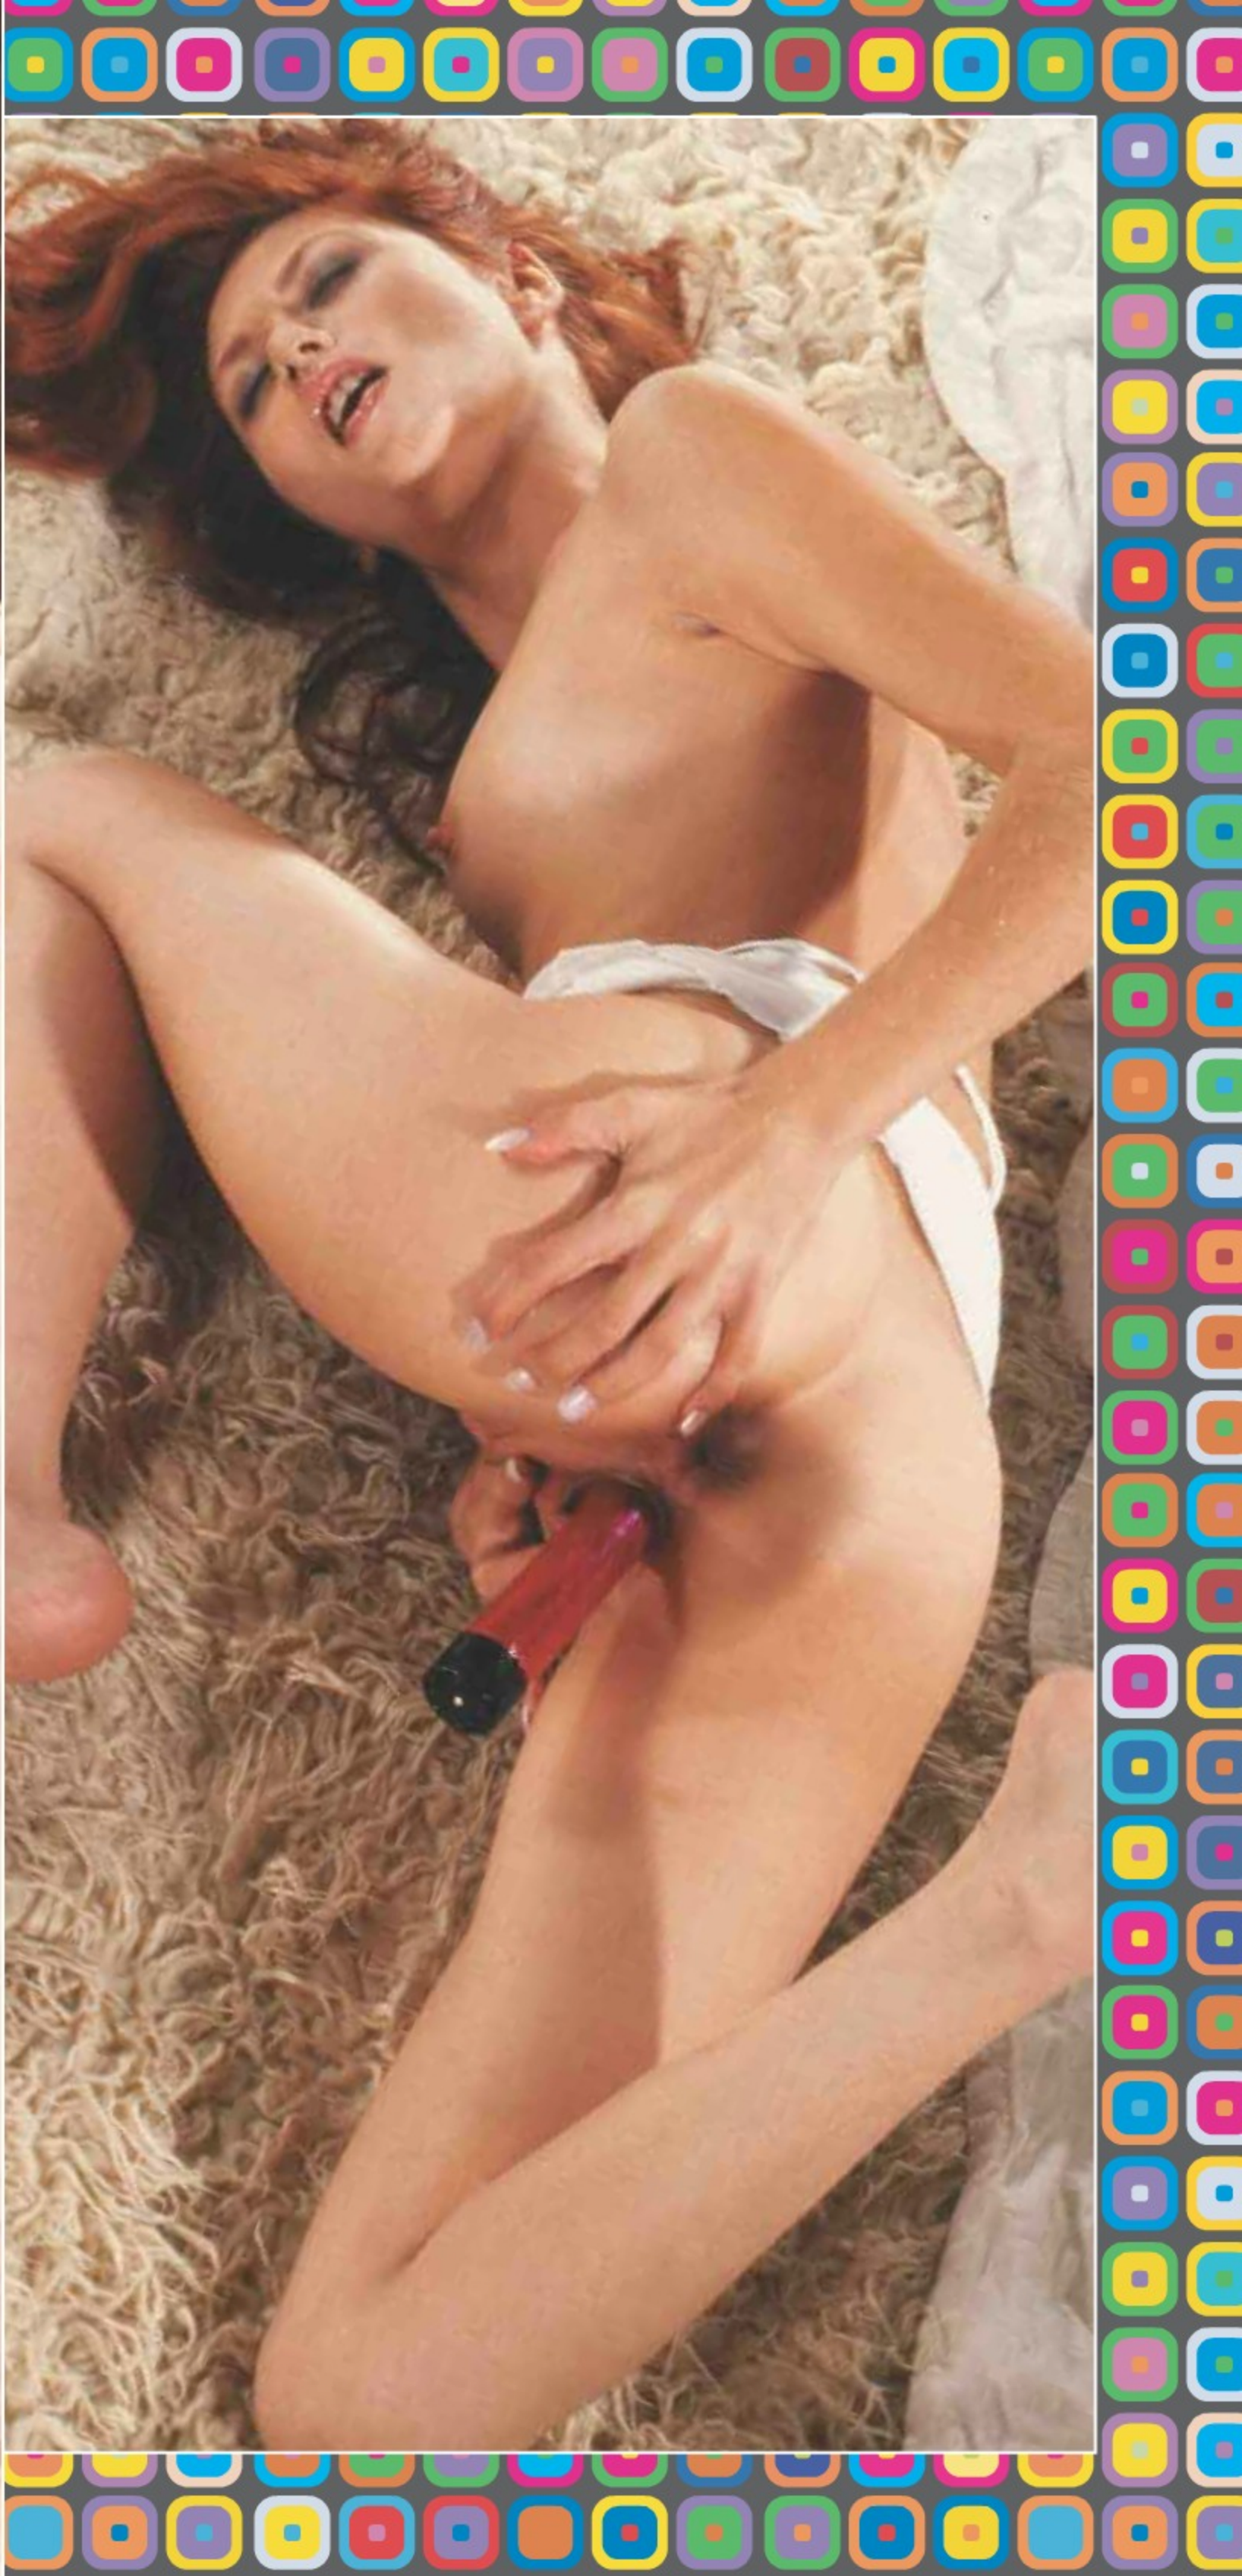

Jenna and I have been having these little “dare” contests at work! See, we both work for my father’s landscaping company and we’re always paired up. I dare her to show me her tits while we’re raking and then she dares me to lick them. Of course, things always end up with the two of us fingering and eating each other’s pussies! There’s nothing better than slurping up Jenna’s slit, I can tell you that! And, in case you’re wondering, she’s quite a little lip licker herself! She can always make me cum! Hey, we may not get much work done, but we definitely have a good “munch” at lunch!

These girls need to be hosed down!

# SOFIE & BOB

**V**acation should be renamed "lay"-cation, because that's all I want to do when I hit some exotic beach. Lay out, get some sexy tan and get laid by every hot hung guy that I can spread my teen thighs for! This year I went to stuffy Eastern Europe. No beaches and grey skies, but all the guys were hung and muscular. This one guy, Bob, took me to his apartment for some hardcore hospital-ity. His strong hands held me tight as his uncut cock fucked the daylights out of me. No guy in America ever screwed my teen pussy as good as he did. Even his cum tasted sweeter than any I ever had before!
